Dear Bruno,

Further to our recent telephone conversation I thought I would write to clarify matters.

We are still very keen to pursue a twinning of our towns, although it is still early days. I thought it may be an idea to exchange list of our relevant people in cultural matters, education and sport.

At a future date we are keen to have a webcam link or video conference and ultimately perhaps exchange visits to formalise arrangements.

I look forward to hearing from you again in the near future.

Yours sincerely

Patricia Millar (Mrs)
